

Former Transgender - set free in Jesus!

In today's culture we are seeing a rampant rise in the redefinition of marriage, sexuality, life, and identity. Without the proclamation of truth, the very fabric of what it means to be human will unravel. Join with me in this ministry to proclaim freedom in Jesus and for people of all walks of life to find their true identity in Jesus Christ and not in their feelings and desires.

I have now stepped out in faith as of a few weeks ago into full-time ministry. I am taking this message of truth and freedom to wherever God sends to whoever will listen. Please join me in prayer for this ministry, but also in financial support if the Lord so leads. As a sponsor of this ministry, you will help proclaim this message. I cannot do it alone.

Ministry Goals:

To engage the culture in the following areas: public speaking, writing, blogging, social media, and videos

- To expose the lies of the LGBTQ agenda
- To help those struggling with gender identity to find their true identity in Christ
- To give hope to hurting parents and loved ones of LGBTQ and other prodigals
- To counsel those who have been wounded to find hope and healing
- To encourage the church that it is loving to share the truth
- And To encourage the church to stand firm on the Word of God and not cave to the LGBTQ agenda

To financially support this ministry there are several options:

1. Donate directly to the church and designate the donation to "Transformed Identity" (Tax-Free)
2. Online: mybfb.org - click "Give", then choose "Transformed Identity" from the drop-down list named Fund (Tax-Free)
