

# *Shadows Of The Tribulation Period*

Lesson #31 Sept. 2, 2020

Truth: Man has always had a desire to rule over and dominate others.

I John 5:19 And we know that we are of God, and the whole world lieth in wickedness.

John 3:19 And this is the condemnation, that light is come into the world, and men loved darkness rather than light, because their deeds were evil.

Lord Acton: All power tends to corrupt and absolute power corrupts absolutely. People suffer.

John 8:44 [speaking to the corrupt Pharisees who wanted to be the political leaders] Ye are of your father the devil, and the lusts of your father ye will do. He was a murderer from the beginning, and abode not in the truth, because there is no truth in him. When he speaketh a lie, he speaketh of his own: for he is a liar, and the father of it.

II Cor. 4:4 In whom the god of this world hath blinded the minds of them which believe not, lest the light of the glorious gospel of Christ, who is the image of God, should shine unto them.

- Satan wants to blind people to the truth and deceive them.

God is allowing Satan and his fallen angels to bring in his One World Government.

Bible prophecy reveals an end-time world power will dominate world trade, international politics and military might. It will lead humanity to the brink of total self-destruction. It will be followed by an even greater government that will finally bring true peace to the entire world!

As far back as the Tower of Babel, mankind has dreamed of a one-world government.

Mankind, commanded by God to diversify over the face of the earth, chose, instead, to remain together in one place, in defiance of their Creator's desire.

Consider: Through this plan, Satan could be "god" in the eyes of all men through occult worship and practices. Evil could spread through the whole race with ease because everyone was in one place and one language.

Yet, it was not God's will at that time that humanity be united in one location under one human government. He intervened to scatter humanity across the earth by confusing the languages of man. Globalism was put on hold.

Satan set out to bring the world back together so he could control through one man.

However, every kingdom of men to rise and seek such a level of power has eventually met its own end.

Fast forward: The United States was founded as a republic. All individuals have unalienable rights granted to them by their Creator. People had freedom and liberty from oppression and enslavement. "The Great Experiment." The founding fathers did not kick God out as the other empires did. God was the founding principle.

Are such dreams of one-world government dead? Even today, voices cry out for a one-world government to solve our critical global conflicts and problems.

The modern parliament building of the European Union in Strasbourg evokes this ancient tale of the Tower of Babel, visually mirroring its unfinished structure and representing the EU's hope to peacefully unite the many peoples and languages under its influence.

History teaches us what to expect.

At the end of World War I, President Woodrow Wilson proposed a League Of Nations that would work together for world peace. That institution failed, and the world saw another global war only one generation later. After World War II, in 1945, the United Nations was formed for the same purpose. Yet the turmoil in the world around us today is sobering evidence that the 193 member-states of the U.N. have not established the way to lasting world peace.

In a May 2015 encyclical [papal letter sent to all bishops], Pope Francis stated, "It is essential to devise stronger and more efficiently organized international institutions, with functionaries who are appointed fairly by agreement among national governments and empowered to impose sanctions... There is urgent need of a true world political authority, as my predecessor Blessed John XXIII indicated some years ago" (*Laudato Si*, 175).

There are many today who desire to bring in a one world government.

The United States has been the problem in bringing their desires to pass.

Walter Cronkite: "To bring in a one world government, we Americans will have to yield up some of our sovereignty. It would take a lot of courage, a lot of faith in the new order."

Ronald Reagan: If we ever forget that we are one nation under God, then we will be a nation gone under.

Thomas Jefferson: The greatest danger to American freedom is a government that ignores the Constitution.

The US has fallen into apostasy. The Constitution is being destroyed.

The World Economic Forum, based in Cologny-Geneva, Switzerland, is an NGO [non-governmental organization], founded in 1971 by Klaus Schwab.

- All the movers and shakers of the world meet in Davos, Switzerland each year.
- ~2800-3000 of world's wealthiest gather to figure out how to rule the world.

The WEF's mission is cited as "committed to improving the state of the world by engaging business, political, academic, and other leaders of society to shape global, regional, and industry agendas."

Nov. 8, 2016 Trump won the election - promised to make US great again, stop the globalists' agenda, close our borders, stop man-made global climate change "hoax", stop 1 sided foreign trade agreements. Globalists and liberal media began to attack him; tried to impeach him.

Trump, Nov. 2019 At the United Nations, declared war on Globalism.

"Wise leaders always put the good of their people and their own country first.

The future does not belong to globalists. The future belongs to patriots. "

They invited Pres. Trump to the Jan. 21, 2020 Meeting: [World Economic Forum>Davos]

"I am committed to conserving the majesty of God's creation and the natural beauty of our world. But to embrace the possibilities of tomorrow, we must reject the perennial prophets of doom and their predictions of the apocalypse. These alarmists always demand the same thing: absolute power to dominate and transform and control every aspect of our lives. We will never let radical socialists destroy our economy, wreck our country."

- Two days later after Trump's speech, George Soros said, "The 2020 US election will determine the fate of the whole world."
- Soros: I consider the Trump administration a danger to the world that will disappear in 2020. I regard the Trump administration as a temporary phenomenon.
- Soros: Destroying America will be the culmination of my life's work.
- Feb. 5, 2020 at meeting in Vatican: J. Sachs "The US is a dangerous country. It will be absolutely dangerous if Trump wins in November. [Sachs was invited by Pope Francis and he is also advisor to Bernie Sanders]
- J. Sachs - The General Assembly of the UN routinely votes 185 against the US on almost everything.
- Prince of Wales: We need a new economic model or our planet will burn. [too many people] We have a rapidly shrinking window of opportunity to learn our lessons and set ourselves on a more sustainable path.

Prince Phillip of Edinburgh: 32 years ago: "In the event that I am reincarnated, I would like to return as a deadly virus, to contribute something to solving overpopulation."

Jacques Costeau: In order to stabilize world population, we must eliminate 350,000 per day.

June 19, 2020: World Economic Forum [Global elites] met and announced it will hold its annual meeting in Davos, Switzerland, in Jan. 2021. The theme > The Great Reset.

This means changing every aspect of society by redistributing the world's wealth, enacting a global tax, supporting world government and more.

THE GREAT RESET: the resetting of the entire world to prepare the world for the arrival of the Anti-Christ.

- Scheduled to kick off in Jan. 2021 at their annual meeting in Davos.

The glowing descriptions of the "Great Reset" that one reads throughout the World Economic Forum's website make this coming New World Order sound wonderful, the utopian answer to all the problems of the world.

We see such optimism in this quote from the Emerging Europe website:

Guterres: Secretary-General of the United Nations: This microscopic virus has closed down entire countries and economies. "The Great Reset is a welcome recognition that this human tragedy must be a wake-up call. We must build more equal, inclusive, and sustainable economies and societies that are more resilient in the face of pandemics, climate change, and the many other global changes we face. It is imperative that we redesign, reinvigorate and rebalance all the world."

Examine the Details: "The purpose of the Great Reset isn't merely to enact policies that would lead to additional wealth redistribution, but rather to completely overhaul the world's existing structures and institutions."

The Great Reset: Implement massive socialist programs, global climate change with strict regulations. "NO country will be exempt. If a country could opt-out of the Great Reset, they would endanger the entire world to future pandemics that would be caused by climate change, says Al Gore, and by overpopulation, says Bill Gates."

Bill Gates: "The world has 6.8 billion people...that is headed up to about 9 billion.

If we do a really great job on vaccines, healthcare, reproductive health services, we could lower that perhaps by 10 to 15 percent."

Klaus Schwab: "Every country, from the United States to China, must participate, and every industry, from oil and gas to tech, must be transformed. In short, we need a 'Great Reset' of capitalism."

He cited the hundreds of thousands of deaths from COVID 19, the shrinking world economy, Worldwide riots, high unemployment as reasons to reimagine and reset the world.

April 8, 2020 Kissinger, 97 - Writing for the Wall Street Journal, Henry Kissinger warns that "The Coronavirus Pandemic Will Forever Alter the World Order." He writes that anti-viral efforts "must not crowd out the urgent task of launching a parallel enterprise for the transition to the post-coronavirus order." In addition to shoring up the economy, Kissinger argues that the U.S. must "safeguard the principles of the liberal world order," including "Enlightenment values." Many are saying we have a window of opportunity to bring in the New World Order.

June 2, 2020: Founder & Executive Chairman of World Economic Forum - Klaus Schwab

"This pandemic represents a rare, but narrow, window of opportunity to reflect, reimagine, and reset our world."

"The problem that we have is not globalization. The problem is a lack of global governance."

This will cause most countries to give up their rights and be ruled by an elite group.

We are seeing the actual physical building of this NWO through the United Nations.

Aug. 28, 2020 French president Emmanuel Macron tweeted that "In all crises, an old world disappears, a new one appears. This crisis can be an opportunity. Our goal with the recovery plan: that France, Europe, play their full part in the invention of the world after."

The global empires of the past used military might to achieve powerful control over nations. This superpower will boast political, economic, and military authority. Hans Morgenthau, one of the foremost authors in his time on international politics, discussed "the struggle for power and peace," in his classic book, *Politics Among Nations*. Morgenthau summarizes what he calls a false solution for world conquest: "It follows that a world state created by conquest and lacking the support of a world community has a chance to maintain peace within its borders only if it can *create and maintain complete discipline and loyalty among the millions of soldiers and policemen needed to enforce its rule over an unwilling humanity*. Such a world state would be a totalitarian monster resting on the feet of clay, the very thought of which startles the imagination.

(*Politics Among Nations*, Fourth Edition, p. 496)

God's Word describes an end-time world power with feet of clay [mixed with iron].

The Jewish prophet Daniel was called before the king to interpret the dream in Dan. 2:32-34. This image's head was of fine gold, its chest and arms of silver, its belly and thighs of bronze, its legs of iron, its feet partly of iron and partly of clay. You watched while a stone was cut out without hands, which struck the image on its feet of iron and clay and broke them in pieces.

- The ten toes on two feet of iron mixed with clay represent a future revival of the Roman Empire.

God's Word tells us of an end-time beast which will be a powerful military, political and economic superpower with world-wide governmental influence.

God Almighty warns us not to participate in the sins of this carnal one-world government!

The Apostle John writes in Revelation 18:4-5, "And I heard another voice from heaven saying, 'Come out of her, my people, lest you share in her sins, and lest you receive of her plagues. For her sins have reached to heaven, and God has remembered her iniquities.'"

This government is currently in the formative stages.

- During the first 3 ½ years of the Tribulation Period, the empire [7<sup>th</sup> head] is pictured as the harlot who rides the beast. [Rev. 17]
- Notice there are 10 kings, 10 horns on the 7<sup>th</sup> head [10 toes of Nebuchadnezzar's statue].
- At mid-point of the Tribulation Period, the 10 horns will destroy the harlot.
- The little horn [anti-christ] will rise up, subdue 3 of the 10, and the other 7 will yield their sovereignty to the Anti-christ. [Rev. 17:12-13]

Satan is using the following to set up his NWO.

1. Politics
2. Religion
3. International banking system

Satan's New World Order, a whole new and vicious form of government, will be blasphemous and led by the little horn, the anti-christ.

Goal of the NWO according to God's Prophetic Word:

- One World Government      Rev. 13:7
- One World Leader          Rev. 13:2; Daniel 7:4-7
- One World Religion        Rev. 13:8
- One World Currency        Rev. 13:16-18

Rev. 13:1-6 And I stood upon the sand of the sea, and saw a beast rise up out of the sea, having 7 heads and 10 horns, and upon his horns 10 crowns, and upon his heads the name of blasphemy. <sup>2</sup> And the beast which I saw was like unto a leopard, and his feet were as the feet of a bear, and his mouth as the mouth of a lion: and the dragon gave him his power, and his seat, and great authority. <sup>5b</sup> power was given unto him to continue 42 months [3 ½ yrs.; 1260 days]

- The kingdom of Anti-christ, little horn, will be everything Satan has tried to build in each of the previous empires. It will have all the evil attributes rolled into one.

David Jeremiah There is a shadow being cast from the Tribulation Period.

- In the Tribulation Period, no one will have any rights.
- We are currently experiencing little stair steps of our rights being taken away for the sake of health and to save lives.
- People are being conditioned to give up rights for peace and security.
- What will people do in the future when the government says, \_\_\_\_\_.
- Will people lay down most of their constitutional rights for peace, safety & security?

The Great Reset Goals: Equal Outcome Through The Economies Of The World.

- Pushing for a reset of capitalism "to have a cohesive and sustainable world."
- Capitalism is unfair > it doesn't redistribute the wealth

[Hughes: They have shown they can seize control very easily and they will continue.

Expect the great wealth transfer > The elite hold all the wealth. Everyone else is equally poor.

Rev. 6 rider on the black horse with scales that are not balanced; day's wage for loaf of bread]

- All governments push this agenda through large scale spending programs and forced vaccinations.
- Use the 4<sup>th</sup> Industrial Revolution to use the new technology we now have like artificial intelligence, robotics, 3D printing, etc. to implement their system.

Signs of Digital Money, Global Tracking and Positioning; Connected with the 1 World Government

Rev. 13:16-17 And he causes all, both small and great, rich and poor, free and bond, to receive a mark in their right hand, or in their foreheads: <sup>17</sup> And that no man might buy or sell, save he that had the mark, or the name of the beast, or the number of his name.

Consider: How is one man going to literally control the buying and selling on the planet, but demand worship and micromanage the planet?

We have been slowly warmed up to this; it is becoming the way of life. But it has prophetic implications. The technology for the AC to make global demands is in place. He also has to be able to enforce global punishment if people don't obey. Who is obeying and who isn't?

Cell phone devices monitor our conversations, track our location. Ads pop up after your conversation and/or searching. It is assessing you.

The antichrist and false prophet will control all buying and selling in the world through some sort of marking system on the forehead or right hand. It must be some sort of electronic payment system using your body parts to buy and sell on a global basis.

Consider: You have to connect every economy, every person, and everything they could potentially buy and/or sell. World economies are already intertwined via computer and modern technology.

- A. 5G Technology > 2019: Some say the high frequency emitted from 5G has a negative effort on the human body. 5G gives the ability to:
  - ❖ Has the speed to do what Rev. 13 says.
  - ❖ On 3G, it would take hours and hours to download a movie.
  - ❖ On 4G, it would take many minutes to download same movie.
  - ❖ On 5G, it would take a couple of seconds.

5G runs on a speed basis that would allow them to create the IOT = internet of things.

- ❖ Allow them to tie into an electronic network that could handle the system on a global basis.
- ❖ They can connect every single product on the planet with every single person on the planet. Then, tie it into a global financial system.
- ❖ This is the system or matrix needed for Rev. 13. = a worldwide cashless system.
- ❖ In Jan. 2020, China had 57 cities, US had 50 cities; UK had 31 cities with established 5G towers in place.

Perceived Benefits: 5G will drive global economic growth. It will enable the IOT and use AI [artificial intelligence] Goal is to establish "smart" cities between 2020-2035.

Rev. 13:15 And he had power to give life unto the image of the beast, that the image of the beast should both speak, and cause that as many as would not worship the image of the beast should be killed.

Image of the Beast: 5G can also project imagery - the IMAGE has the ability to speak - 3D technology can be beamed across the planet

Hologram could give message in Japanese to the Japanese audience

## B. Microchips

Consider: We have come from cash to checks to credit card to debit card to smart cards which have a chip in them. Now, the chip in your phone can be used to pay for items. People are making hand payments with their phones.

- Many countries in the world are already cashless - Sweden is 99% cashless. Sweden leads the world in microchip purchases. Cash in Sweden now accounts for only 1% of all transactions, and a full 50% of all Swedish banks will not accept cash deposits. They are now making payments with their hands. Have microchipping parties.

They will be requiring you to have the chip on your body part.

- ❖ Some are already making payments with their HAND which has a chip in place.
- ❖ These chips can unlock doors, give access to offices.

Consider: Anti-Christ must have a cashless world combined with a matrix of 5G technology.

People must have implanted chips. All is in place.

Consider: Micro-managing the planet

- The average person today is on over 300 data bases.

Big Brother technology: Global context: False prophet gives out a GLOBAL order to worship the Beast. How will they know if someone doesn't?

- TV's everywhere - alert on your phone

We have for the 1<sup>st</sup> time in history the global communication system to pull off global orders. Many believe China is the "playground" for testing the Big Brother system.

They currently have 170 million cameras. They are planning to add 400 million more cameras.

- The UK surveillance has over 6 million cameras. Average person in Britain is filmed over 300x in one day.

➤ The United States has over 30 million cameras. 95-96% of schools have cameras.

II Thess. 2:9-12 Even him, whose coming is after the working of Satan with all power and signs and lying wonders, <sup>10</sup> And with all deceivableness of unrighteousness in them that perish; because they received not the love of the truth, that they might be saved.

<sup>11</sup> And for this cause God shall send them strong delusion, that they should believe a lie:

<sup>12</sup> That they all might be damned who believed not the truth but had pleasure in unrighteousness.

COVID 19 > COronoa VIRus 19 > Discovered in 2019

March 18, 2020 COVID-19 predicted to infect 81% of U.S. population, cause 2.2 million deaths in U.S.

We were told it was one of the worst ever. Most of the world was told to stay in their home. Shelter in place > destroying small business and our economy; shut down schools, churches.

Consider: People are living in fear! Suicide rates are up.

Consider: We recently passed 7, 777, 777, 777 population in the world. [April 14, 2020]

In April, under 250,000 died worldwide. = .0026%

Note: The CDC updated the death counts of covid-19 on Aug. 26, 2020. They revealed that only 6% of the deaths were caused by just the virus. So, instead of the 184,000 number distributed publicly, the CDC admits that the actual number would be closer to 11,000.

Question: Is there really a pandemic?

Could this be the beginning of the system that will be in place during the Tribulation?

Remember: The agenda of the Antichrist and False Prophet are for everyone to eventually take the Mark of the Beast. You must worship the AC or you cannot buy/sell.

- They need a socialist or communist form of government worldwide.
- Want all to trust in the state as "god." Depend on them for money, etc.

Get used to getting your needs met from the government.

By using the BLM, Antifa, etc. they have "weaponized" the virus.

Schwab: We can emerge from this crisis a better world if we act quickly and jointly.

Proposed answer to the scare of the virus.

Remember: The Corona virus has been around for many years.

C. Everyone needs a National ID

➤ Renamed: COVID-19 > Many are saying: Certificate Of Vaccination ID [19 = AI]

➤ The AI = artificial intelligence > can track you

➤ They propose everyone receive a vaccine; receive your Certificate of Vaccination ID

This new health document is gaining attention as a means to slowly and safely get things back to "normal"; or what we will consider normal post-COVID-19.

Bill Gates, the largest contributor to the WHO, says, "In order to open the world again, everyone needs this vaccine and their COVID-19 passport."

Question: Does this sound like the beginnings of the antichrist and his system?

As society enters a new 'COVID Safe' framework in anticipation for a vaccine, how will these tracking discoveries be incorporated with pushes for 'immunity passports' and digital ID?"  
Are immunity passports and 'vaccine tattoos' coming?

D. Quantum Dot Tattoo Implant To Track COVID 19 Vaccine Compliance

- Digital tattoo so they can track you; control you - sounds like the Bible?
- It is supposed to leave a quantum dot tattoo.

Kevin McHugh, an Assistant Professor of Bioengineering at Rice University, and bioengineers Robert Langer and Ana Jaklenec from the Massachusetts Institute of Technology, conducted the research: Article in Science Translational Medicine, Dec., 2019!!!

- "Researchers have created dissolvable ink that can be embedded in the skin via dissolvable microneedle vaccination, creating a barcode 'tattoo.'
- It delivers patterns of near-infrared light-emitting microparticles to the skin. Particle patterns are invisible to the eye but can be imaged using modified smartphones.
- You put it on like a band-aid and the little needles vaccinate you. Their literature says their hypodermic needles are like a "snake's." A snake's fangs inject into you.
- When the needles dissolve in about two minutes, they deliver the vaccine and leave a unique pattern of tags just under the skin, where they become something like a bar-code tattoo:
- The square-centimeter patches hold up to 16 tiny needles. "They don't go very deep, which makes them theoretically painless and a lot easier for kids," McHugh said. "They're like putting on a bandage."
- By co-delivering a vaccine, the pattern of particles in the skin could serve as an on-person vaccination record."
- The ink used comes from a firefly called the Luciferin, the part that lights up. They call their ink Luciferase. When they check you with their machine, this mark will glow.
- Luciferin and Luciferase are derived from the Latin word for Lucifer = lightbringer
- Work was funded by Bill & Melinda Gates Foundation. Came about as a direct request from Bill Gates.
- Testing in model skin in strong light showed the 4-nanometer dots should be readable for at least five years.

Interesting: HR6666 - would make it law they could go to houses; demand vaccinations or you cannot go to grocery, restaurant, etc.

Dan. 12:4, 9-10 But thou, O Daniel, shut up the words, and seal the book, even to the time of the end: many shall run to and fro, and knowledge shall be increased. And he said, Go thy way, Daniel: for the words are closed up and sealed till the time of the end. <sup>10</sup> Many shall be purified, and made white, and tried; but the wicked shall do wickedly: and none of the wicked shall understand; but the wise shall understand.

Know Your Bible > You Can See Things Lining Up > Setting The Stage  
America culture as we know is not coming back.

Ezek. 33:6 But if the watchman see the sword come, and blow not the trumpet, and the people be not warned; if the sword come, and take any person from among them, he is taken away in his iniquity; but his blood will I require at the watchman's hand.

Rom. 14:12 So then every one of us shall give account of himself to God.
