

# *The Days of Noah: Genetic Wickedness*

Lesson #32 Sept. 9, 2020

In His Olivet Discourse (Prophecy) found in Matthew 24, Mark 13 and Luke 21, Jesus described what would be happening on earth before His 2<sup>nd</sup> coming. [at the end of 7 yr. Tribulation]

Matt. 24:3 Tell us [4 disciples; Peter, James, John & Andrew], when shall these things be? and what shall be the sign of thy coming, and of the end of the world?

➤ The first thing Jesus said was: "Take heed lest any man deceive you." [Matt. 24:4]

➤ Deception is the characteristic of this age. Warfare with Satan > master deceiver

The signs of the end of this age include lawlessness abounding, the gospel of the Kingdom being preached and Jerusalem being surrounded by armies [Matthew 24:12-14; Luke 21:20].

Matt. 24:37-39 But as the days of Noah were, so shall also the coming of the Son of man be.

[Jesus Christ's 2<sup>nd</sup> coming; not the rapture].<sup>38</sup> For as in the days that were before the flood they were eating and drinking, marrying and giving in marriage, until the day that Noah entered into the ark,<sup>39</sup> And knew not until the flood came, and took them all away; so shall also the coming of the Son of man be.

Mark 13:20a And except that the Lord had shortened those days, no flesh should be saved:

Gen. 3:15 And I will put enmity between thee and the woman, and between thy seed and her seed; it shall bruise thy head, and thou shalt bruise his heel. Promise of Redeemer

Gen.3 - Rev. 12 Satan's continual war and plots to thwart the plan of God; destroy Messianic line

When was the 1<sup>st</sup> attack on the seed of the woman to destroy the genetic genome that would require the seed of the woman to be human to be a redeemer?

Genesis 6 > In the midst of the godless civilization, a startling event occurred.

Gen. 6:1-2 And it came to pass, when men began to multiply on the face of the earth, and daughters were born unto them,<sup>2</sup> That the sons of God saw the daughters of men that they were fair; and they took them wives of all which they chose.

➤ This is ONE sentence.

➤ Time of this SIN > BEFORE the Flood & Judgment

➤ Sons of God = B'nai Elohim = Fallen Angels

➤ This term is used exclusively of ANGELS in the Old Testament

○ OT Sons of God = Job 1:6; 2:1; 38:7

Job 1:6 Now there was a day when the sons of God came to present themselves before the LORD, and Satan came also among them.

➤ Septuagint Hebrew OT translated into Greek 300 years before Christ  
Translates Sons of God as "ANGELS of God"

Most of quotes in NT are taken from the Septuagint

➤ Book of Enoch Highly venerated by Jewish scholars from 2<sup>nd</sup> century BC -  
2<sup>nd</sup> century AD; "Sons of God" = Angels

- Early Church Fathers Philo of Alexandria; Justin Martyr; Irenaeus; Tertullian

Consider: We can get confused because of John 1:12 But as many as received him, to them gave He power to become the sons of God, even to them that believe on his name:

- Sons of God in New Testament is referring to believers.

Believers in OT are never called Sons of God.

Sons of God in OT and in Gen. 6 = Angels > These are fallen angels

Gen. 6:4 There were giants [Nephilim in Hebrew] in the earth in those days; and also after that, when the sons of God came in unto the daughters of men, and they bare children to them, the same became mighty men which were of old, men of renown.

- The intrusion of certain angels [sons of God' fallen angels] into the human family resulted in unnatural offspring, Nephilim who were only part human. Created hybrids:  
Literal physical beings
- Fallen angels were the parents. Nephilim were the unnatural offspring.
- Nephilim [Fallen ones, giants]: result of the unnatural union > offspring were MALES
- Nephilim is derived from the Hebrew *naphal* [to fall] or the Fallen Ones.
- HaGibborim = the mighty ones
- The Greek Septuagint renders this term *gigantes*, which means "earth born."
- They were known as the "giants" in the OT.
- According to Book of Enoch & other non-biblical writings, they were a race of giants and super-heroes who did acts of great evil.

Consider: If the Nephilim were half human/half fallen angel, it would give great understanding to the many ancient religious views after Babel and demi-gods.

The Nephilim were one of the primary reasons for the great flood in Noah's time.

Immediately after the mention of Nephilim in Gen. 6:4, God's Word says,

Gen. 6:5-7 And God saw that the wickedness [general] of man was great in the earth, and that every imagination [intent] of the thoughts of his heart was only evil continually.

<sup>6</sup> And it repented the LORD that he had made man on the earth, and it grieved him at his heart. And the LORD said, I will destroy man whom I have created from the face of the earth; both man, and beast, and the creeping thing, and the fowls of the air; for it repenteth me that I have made them.

Gen. 6:8-9 But Noah found grace in the eyes of the LORD. Noah was a just man and perfect in his generations, and Noah walked with God.

- Perfect = tamyim = without blemish, sound, healthful, without spot
- Same word is used in Leviticus to speak of the offerings
- Noah had unblemished genealogy

The fallen angels intermingled with daughters of man and contaminated the DNA of man.

The "gene pool problem" in the human family tree created Nephilim who were the source of unusual violence. Their great size and power likely came from the mixture of demonic [fallen angels] "DNA" with human genetics.

Gen.3 - Rev. 12 War where Satan continually attempts to thwart the plan of God

- Attempting to pollute the human bloodline in order to prevent the coming of the Messiah. God had promised that the Messiah would one day crush the head of the serpent, Satan
- The fallen angels in Genesis 6 were possibly attempting to prevent the crushing of the serpent and make it impossible for a sinless "seed of the woman" to be born.
- It seems that this was part of Satan's strategy to corrupt the line of Adam to prevent the fulfillment of the Messianic redemption.
- Noah was apparently unique in that his genealogy was still uncorrupted.

Gen. 6:12-13 And God looked upon the earth, and, behold, it was corrupt; for all flesh had corrupted his way upon the earth. <sup>13</sup> And God said unto Noah, The end of all flesh is come before me; for the earth is filled with violence through them; and, behold, I will destroy them with the earth. [including the Nephilim]

Wickedness of the hybridization of man with fallen angels

It became so corrupt... God sends the flood to wipe it all out except for Enoch [type of Church] who was translated and removed before the judgment and Noah & his family who were preserved in the Ark through the judgment. Satan's plan failed at this time.

The earth suffered a catastrophic and climatic change which ended the Antediluvian Age.

The Bible states by the mouth of 2 or 3 witnesses a thing is confirmed. [II Cor. 13:1]

Do we see a confirmation of this view in the NT? Witness #1:

Jude 1:6-7 And the angels which kept not their first estate, but left their own habitation, he hath reserved in everlasting chains under darkness unto the judgment of the great day.

- Abandoned their angelic form by taking on a human form [Angels are spirit]
  - Habitation = oiketerion > referring to the body as a dwelling place for the spirit
  - Only 2x in Bible: Jude 1:6 dwelling place from which the angels had "disrobed"
  - II Cor. 5:2 alluding to the heavenly body with which the believer longs to be "clothed"

II Cor. 5:1-2 For we know that if our earthly house [habitation] of this tabernacle were dissolved, we have a building of God, an house not made with hands, eternal in the heavens.

<sup>2</sup> For in this we groan, earnestly desiring to be clothed upon with our house [habitation] which is from heaven:

- The same word is used to describe what the angels who sinned gave up to come down and co-habit with women as what believers aspire to go up to.

Jude 1:7 Even as Sodom and Gomorrah, and the cities about them in like manner, giving themselves over to fornication, and going after strange flesh, [flesh of a totally different kind] are set forth for an example, suffering the vengeance of eternal fire.

- In Sodom & Gomorrah, the homosexuals regarded the angels as prizes. They lusted after the 2 angels in Lot's house.

Gen. 19:4-5 But before they lay down, the men of the city, even the men of Sodom, compassed the house round, both old and young, all the people from every quarter:

<sup>5</sup> And they called unto Lot, and said unto him, Where are the men which came in to thee this night? bring them out unto us, that we may know them. [have sex with them]

According to Scripture, Angels have the ability to take human form [Gen 19:1-7; Heb.13:2]. Evidently, some Angels looked upon and lusted after the Daughters of men, abandoned their residence in heaven, exchanged their celestial bodies for terrestrial bodies, assuming human form, took whomever they chose and married the "daughters of men" to engage in sexual intercourse, thereby producing off-spring of an hybrid called Nephilim, a new half-bred race. [Angels can appear in human form, speak, eat, take men by the hand, capable of direct physical combat.

Matt. 22:30 For in the resurrection they neither marry, nor are given in marriage, but are as the angels of God in heaven.]

### Witness #2

II Pet. 2:4-5 For if God spared not the angels that sinned, but cast them down to hell [Tartarus], and delivered them into chains of darkness, to be reserved unto judgment;

- Tartarus = Greek term for dark abode of woe; pit of darkness in unseen world; only time used in NT

<sup>5</sup> AND spared not the old world, but saved Noah the eighth person, a preacher of righteousness, bringing in the flood upon the world of the ungodly;

- Angels that sinned > Peter ties the angels that sinned to the days of Noah

Genesis 6:4 "The Nephilim were on the earth in those days—and also afterward."

It seems some fallen angels repeated this sin sometime after the flood as well.

Consider: In Gen. 12 when God called Abram, God revealed the promised Messiah would come through the line of Abraham. However, due to a famine, they would reside in Egypt for 400 years before heading for the Promised Land. Satan now has 400 years to fill the Land with more Nephilim.

Num. 13:32-33 And they brought to the Israelites an unfavorable report of the land that they had spied out, saying, The land, through which we have gone to search it, is a land that eats up [devours] the inhabitants thereof; and all the people that we saw in it are men of a great stature.

Simbowte: "Any report that creates hopelessness, fear and causes the people to doubt the authenticity of the already spoken word of God, is an evil report."

<sup>33</sup>When the Israelites spied out the land of Canaan, they reported back to Moses:

"We saw the Nephilim there We seemed like grasshoppers in our own eyes, and we looked the same to them"

<u>Post-flood Nephilim:</u>	Gen. 14-15	Rephaim, Emim, Horim, Zamsummim
	Num. 13:33	Arba, Anak & his 7 sons [Anakim], encountered in Canaan
	Deut. 3:11	Og, King of Bashan [Joshua 12] Goliath and his 4 brothers

Recall: "Take heed lest any man deceive you."

But as the days of Noah were, so shall also the coming of the Son of man be.

Except that the Lord had shortened those days, no flesh should be saved:

Dan. 12:4, 9-10 But thou, O Daniel, shut up the words, and seal the book, even to the time of the end: many shall run to and fro, and knowledge shall be increased. [Context is during 7 yr. Trib.] And he said, Go thy way, Daniel: for the words are closed up and sealed till the time of the end. Many shall be purified, and made white, and tried; but the wicked shall do wickedly: and none of the wicked shall understand; but the wise shall understand.

### Is There Another Coming Genetic Apocalypse? [Jan Markell & Billy Crone: June 13, 2020]

There are experiments going on in laboratories around the world that would shock the average person. What happened in the Days of Noah with the hybridization of the human race is happening once more. Hollywood is all in. They are using Hollywood to prepare us for the future they are building right now. Captain America, Thor, Ironman, Wolverine, X-Men, Spiderman and the Zombie craze are not just figments of some screenwriters' overactive imagination or the stuff of science fiction. These experiments are designed to create a super race of beings, Super Soldiers, NOT made in the image of God. How long will God allow these monstrous acts of rebellion to continue? Meet the experts, from think tanks to top-level scientists and military personnel who know all about CRISPR, Gene Sprays, Color Changing Sprays, and the creation of unbelievable, insane superpowers!

A geneticist who was asked one simple question. How much gene editing does it take before you turn a human being into a different species? A simple 1% change in God's genetic code can turn a man into a gorilla. It's happening RIGHT NOW! Scientists are playing with fire ... God's Creation is under attack by Satan ... AGAIN! Genesis 6 has returned!

*The Six Million Dollar Man.* Steve Austin [Lee Majors] was our first cyborg, fitted with a "bionic" eye and limbs after a nearly fatal accident. Every episode began by retelling his origin story, as a voiceover intoned: "We can rebuild him. We have the technology. We can make him better than he was. Better, stronger, faster."

But the liturgy quickly moves from repair to enhancement—"better than he was before." After all, if you have the technology to repair someone, why not make some improvements while you're at it?

### Feb., 2011 Time Magazine Cover: 2045 > The Year Man Becomes Immortal

- Introduced new term = Singularity

### The Danger of Artificial Intelligence Spiraling Out of Control > Singularity

- "Where the technology [AI] grows so fast, that it spawns a super intelligence that far exceeds human intelligence and then it begins to take over. It reaches a point where it is as smart as a human, but it continually improves itself. At that point, the human era will be ended and the machines, including AI, will take over."
- Is artificial intelligence threatening our existence?

## Coming Human Enhancement [Augmentation] Revolution

Human enhancement (HE) can be described as the natural, artificial, or technological alteration of the human body in order to enhance physical or mental capabilities.

Many governments and influential people are focused on the next step of human evolution.

Transhumanism is a way of thinking about the future that is based on the premise that the human species in its current form does not represent the end of our development but rather a comparatively early phase.

The aims of the transhumanist movement are summed up by Mark O'Connell in his book To Be a Machine. "It is their belief that we can and should eradicate ageing as a cause of death; that we can and should use technology to augment our bodies and our minds; that we can and should merge with machines, remaking ourselves, finally, in the image of our own higher ideals."

Transhumanism: is a philosophical movement that advocates for the transformation of the human condition by developing and making widely available sophisticated technologies to greatly enhance human intellect and physiology.

Humans need to use this technology to transcend the limits we experience.

They use terms like: post-human. The goal is to use science and technology so that men are no longer human. Brain-machine interface ourselves with strong artificial intelligence systems that may even allow us to communicate with God, in their mind, in ways that we can't do now through the Holy Spirit and the belief in redemption.

- At the germ line genetic level permanently undo DNA in humans as it has been understood. We are going to create a superior model.
- They plan to use genetics, robotics, artificial intelligence, nanotechnology, synthetic biology and much more.
- Hitler's dream of his Aryan super race can now be a reality.
- What Nietzsche, German philosopher, could have only imagined in his writings about the "ubermenschen," the superhuman of tomorrow.

## Corrupting God's Creation:

Genetically Modify Organisms: Genetically modify man, plants, animals

What happens to humans when they eat these GMO foods?

- Top geneticist said, "This is being done without regulation."
- Spiraling out of control; Radically alter forever man, plants & animals

Cloning: Dolly the sheep > Scientists have now cloned more than 20 species

Mixing DNA of 2 species: Lambs have been genetically modified with the DNA of a jelly fish.

- Goats have been genetically modified with the DNA of spiders. They are trying to create a type of armor with spider thread. They want the spider threads to be produced in the goat's milk so it can be harvested much easier and quicker.

## Creating human/animal hybrids

There are ~115,000 people in US awaiting organ transplants.

Scientists believe the pig is the perfect model to solve the shortage of human organs available and give the gift of life to people in need.

Create Chimeras: have some human tissue cells injected: human/animal hybrids

- They are working to grow human tissue for organ transplant in genetically modified pigs. These are known as chimera. Super heroes; saving peoples' lives
- Benefit: Don't need a lifetime of rejection drugs
- People are calling for more chimeras.

The Genesis Engine: "We now have the power to quickly and easily alter DNA. It could eliminate disease, solve world hunger and provide unlimited clean energy. It really could get out of hand."  
[Amy Maxwell]

CRISPR = technology that can edit genetic mistakes - it is like slicing a bit of film - slice out a defect and put in DNA that corrects

- This process to alter genes can be done in a few days.
- They say it could potentially be used to cure almost any disease with a genetic basis.
- CRISPR has already been used in plants and animals
- Take out the one slice of bad BUT you also took out 13 positives you do need - cannot be spliced back in - lasting consequences
- Some are excited about "Designer Babies" using CRISPR. By using "genetic manipulation," we could create ideal babies and eventually improve society.
- Scientists are working to delete memories and experiences from our brain.
- "We now hold it within our grasp to permanently alter [for betterment] the human race.
- We will be able to offer an enhanced life and no death. Immortality
- This industry currently has no regulations. It is growing at such an exponential rate that it is impossible to "rope it back in" and regulate it.
- There can be significant side effects. No surprise! God forbids this.

Question: How long can we "tweak" the human genome and it no longer be human?

- If this continues, there will be nothing left of God's original creation.

"Transhumanism is Satan remaking humans in his image. That means changing the genetic code. The new humans will be vessels for spirit beings to inhabit."

Rev. 9:1-11 And the fifth angel sounded, and I saw a star fall from heaven unto the earth: and to him was given the key of the bottomless pit.

<sup>2</sup> And he opened the bottomless pit; and there arose a smoke out of the pit, as the smoke of a great furnace; and the sun and the air were darkened by reason of the smoke of the pit.

<sup>3</sup> And there came out of the smoke locusts upon the earth: and unto them was given power, as the scorpions of the earth have power.

<sup>4</sup> And it was commanded them that they should not hurt the grass of the earth, neither any green thing, neither any tree; but only those men which have not the seal of God in their foreheads.

<sup>5</sup> And to them it was given that they should not kill them, but that they should be tormented five months: and their torment was as the torment of a scorpion, when he striketh a man.

<sup>6</sup> And in those days shall men seek death and shall not find it; and shall desire to die, and death shall flee from them.

<sup>7</sup> And the shapes of the locusts were like unto horses prepared unto battle; and on their heads were as it were crowns like gold, and their faces were as the faces of men.

<sup>8</sup> And they had hair as the hair of women, and their teeth were as the teeth of lions.

<sup>9</sup> And they had breastplates, as it were breastplates of iron; and the sound of their wings was as the sound of chariots of many horses running to battle.

<sup>10</sup> And they had tails like unto scorpions, and there were stings in their tails: and their power was to hurt men five months.

<sup>11</sup> And they had a king over them, which is the angel of the bottomless pit, whose name in the Hebrew tongue is Abaddon, but in the Greek tongue hath his name Apollyon.

Satan, since the Garden of Eden, has used everything to deceive man into thinking he can become God-like, if not a God himself.

Transhumanism: "Radically change the image of God with their technology. Use it to transcend all the limitations of humans. "How far can we push this and there still be any true humans left?" "The human era will end and machines will take over."

Elon Musk: "Humans must become cyborgs to become relevant. Humans need to merge with machines. He sees a direct brain/computer interface as an absolute necessity, not only in order for us to evolve as a species, but as a way of keeping up with the machines we are creating. If we don't merge with machines, we will become useless and irrelevant."

Those who are using genetic manipulation say they are creating utopia.

It is being pitched as obtaining the 3 supers:

1. Super well-being: Modify your body. You can have a life without suffering and perfect health.

Truth: The Saved go to heaven - place without suffering, new glorified body

2. Super intelligence: Genetic manipulation

I Cor. 1:30 But of him are ye in Christ Jesus, who of God is made unto us wisdom, and righteousness, and sanctification, and redemption:

3. Super longevity [live forever; become immortal]

Ray Kurzweil: The world's leading futurist says: "We're just a few scientific breakthroughs away from achieving eternal life."

Truth: Promised eternal life in Jesus Christ [John 3:16]

It is actually a "false gospel." Don't let the Savior save you; let science save you.

Truth: Everyone is going to live forever...the question is where?

People buying into this could have experienced everything through accepting God's way through Jesus Christ. They would also be part of His ultimate utopia: New heaven and new earth

However, they will find that...

Heb. 9:27 And as it is appointed unto men once to die, but after this the judgment:

Whatever God says, Satan perverts. The sign of genetic manipulation like in Noah's day is a sign that Jesus Christ will return and judge the planet again.
